Groton, Massachusetts 01450

Hello:

Please pass my thanks to motor coach operator Mr. Al Davis for his capable assistance in transporting students from Groton-Dunstable Middle School during the group's April 21 through 25 Capital Tours visit to Washington, D.C. I'm still something of an apprentice tour guide for our nation's capital. Having Al at the controls of the coach made my tasks much easier.

Early on I came to appreciate his skill, rapport with students and adults, and ability to navigate in the thick of Washington, D.C., traffic. What's more, as a veteran coach operator, Al assisted the entire group (and me!) with suggestions and reminders that made the most of our limited time.

I wish Al and his colleague on this trip, plus all of your operators, the very best for continued safe travels. Your valuable service makes everyone's life just that much better.

Best Wishes,

David Super
